If you wish to see the truth...then hold no opinions.

It seems as if never before our Circle of Light and Healing World prayer group and individual prayers are vitally needed and are bringing hope, balance, healing, and stability to ourselves, our families, and our planet. We joyously look forward to you joining us, so please continue to support our Weekly Prayer Circle by phone.

From a Christmas letter to the Fellowship from Diane Eisenman, with permission (slightly modified):

Happier New Year

This year has brought many challenges not only to the Fellowship but to all of us...Like the holiday season, we pause. We stop and take a breath before we move on into the new year. We give gratitude for the wiser person that we are. And we realize that we do not know what 2022 will bring to us, why, or what we will gain. All we know is that what we expect is set into motion until we change our minds about those expectations....

My wish for you this season is that you know a love far greater than you ever dreamed, practice forgiveness toward everyone, and receive the gift of love that is offered by others to you. Hold to your faith that we as a human race are learning to realize peace, though it be by contrast at times. Follow your highest guidance, trust the process, and your part to make this a joyful and peaceful world.

From December 17 through January 4, 2022, the Fellowship will be closed, except for the World prayer by phone. Cynthia and I will be virtually celebrating the holidays with family and friends. We look forward to joining you again on January 5, 2022. We again encourage you to find joy in each moment, to continue praying for the Highest Good of all concerned, and to accept it for yourselves.

We wish you a New Year of unimagined blessings and much deserved love....

Bill and Cynthia
