Celebrating our 57th Year!

JUNE 2018

World Prayer Bulletin #502

Dear Friend and Light Worker,

Excerpt from past Fellowship Prayer Circles: **Question:** EC, with our prayers, will we be able to stabilize the Earth sufficiently to prevent any catastrophic occurrences that have been prophesied?

EC: Remember that Nature is in charge! Although that means not only your prayers but those of everyone on the Planet would be necessary to change prophesied occurrences, these occurrences can be minimized by prayer. Your prayers have stopped other things! You have changed the course of events, not even knowing that you have done so, through prayers and Light. Do continue with your prayers and Light and helping the Angelic Kingdom. Bless you.

PLEASE PLACE THE FOLLOWING INTO PRAYER, ADDING OTHERS OF YOUR CHOICE:

- We pray that all local, state and national elections, candidates, and issues produce the most benevolent outcomes for our nation.
- We pray that the weaponization of outer space be eliminated.
- We pray that the peace talks with North Korea and South Korea benefit all nations.
- We pray that genocide, apartheid, violations of human rights, and terrorism on our planet be eliminated and replaced with the liberating recognition of our oneness.
- We pray for the worldwide transfiguration of all financial and political systems into heightened levels of consciousness.
- We pray that the GESARA (Global Economic Security and Reformation Act) and NESARA (National Economic Security/Stability Reformation Act) bring about positive changes for our nation and humanity.
- We pray that any overshadowing energies of power and control influencing all institutions, media, and the local, state, and national levels of government be replaced by transparency, truth and Right Action for the Highest Good of all.
- We pray that everyone be able to obtain affordable housing, good food, health care, prescription drugs, supportive schooling, and fulfilling employment.
- We pray that the consciousness of humanity be raised to accept all religions and ethnic groups without hatred, prejudice, or judgment.
- We pray that all forms of viral, bacterial, fungal, super-bug infections, and epidemic and pandemic illnesses be eliminated and that people's vibratory energy be raised to strengthen their immunity to all disease.
- We pray that as we experience daily events that may be beyond our comprehension, we remember to center ourselves in Light and love.

With grateful hearts, we hold and energize the vision of a healthy Earth with pristine air, lands, and waters; with peaceful, joyous peoples—fulfilled, self-empowered, loving, and grateful—who live in an abundance of all good things, and who hold and energize an ever-evolving higher spiritual vision.

Thank you for your prayers and financial support, and we pray that you, our Fellowship family and friends, be kept within special healing and security in body, mind, and Spirit.

We ask that God's Will be done in regard to all situations mentioned above, and those added. We pray for rightful action and the highest good of all concerned in those situations, giving thanks to our Father-Mother God for help and continued guidance.

William Miller, D.D., President
