Celebrating our 62nd Year!

October 2022

WORLD PRAYER BULLETIN # 553

Dear Friend and Light Worker,

Masters of the Spiritual Hierarchy ask you to join them to serve as an instrument of Light in the Army of Light, in order to raise the consciousness of all people and our planet Earth, through the use of collective prayer.

Spirit has told us that: “If man places negative energies out, man can transmute them. We hereby serve notice upon the forces of darkness that we, Spirit, intend to intensify our campaign to bring more and more humanity into the Light to bring about a transformation of the world. You are indeed our emissaries in the physical world, and it is through you that we all must grow. The secret lies within you. The Hierarchy is ever ready to assist you and our planet Earth. However, we cannot give this assistance unless you ask for it. This is a Spiritual law.”

PLEASE PLACE THE FOLLOWING INTO PRAYER, ADDING OTHERS OF YOUR CHOICE:

- We pray that war and talk of war cease worldwide and that peace and prosperity manifest everywhere for everyone.
- We pray for the protection and preservation of democracy and freedom all over the world.
- We pray that the Angels of Peace and Compassion assist all people in all nations on our planet in every activity, especially where there are conflicts, disasters, and disruptions, helping those who are stressed, homeless and without food, clean water, shelter, and medical care to be stabilized and secure.
- We pray for the end of child trafficking, child pornography, and pedophilia and that our children become peacemakers, consciousness changers, and wise leaders.
- We pray that profiteering from all sources, including pharmaceutical and corporate, be revealed and eliminated.
- We pray that the consciousness of humanity be raised to accept all religions, ethnic groups, and political differences without hatred, prejudice, or judgment.
- We pray that the immigration deterrent, deportation, and asylum policies of every country be placed into rightful action and for the Highest Good of everyone.
- We pray that the GESARA (Global Economic Security Reformation Act) and NESARA (National Economic Security/Stability Reformation Act) produce the most benevolent outcomes for all nations and all humanity.
- We pray for the worldwide transfiguration of all financial, economic, and political systems into heightened levels of consciousness, balance and stability.
- We pray that any overshadowing energies of power and control influencing anyone, and all institutions, media, and local, state, and national levels of government be replaced by transparency, honesty, truth, and Right Action.
- We pray for the elimination of energy weapons of mass destruction and disruption, within and on our planet, within and above our atmosphere, and from outer space.
- We pray that the escalating number of fires, droughts, hurricanes, tornadoes, floods, earthquakes, and other extreme weather patterns and events be minimized or eliminated through Light and prayer.
- We pray that all forms of viral, bacterial, fungal, parasitic, and super-bug infections and epidemic and pandemic illnesses, like Covid 19, its variants and the flu, be eliminated and that people’s vibratory energy be raised to strengthen their immunity to all disease.
- We pray that as we experience daily events that may be beyond our comprehension, we remember to center ourselves in our Heart Chakra in Light and Love.

In these uncertain and fear-based times, let us remember and trust that God is our Source, that we are in God’s Hands, that there is always a way forward, and that even though it may be confusing to us, we are living God’s perfect plan for our lives.

With grateful hearts, we hold and energize the vision of a healthy Earth with pristine air, lands, and waters; with peaceful, joyous peoples—fulfilled, self-empowered, loving, and grateful—who live in an abundance of vibrant health, happiness, prosperity, and all good things, and who hold and energize an ever-evolving higher spiritual vision.

We thank you for your prayers and financial support, and pray that you, our Fellowship family and friends, be kept within special healing and security in body, mind, and Spirit.

We ask that God’s Will be done in regard to all situations mentioned above, and those added. We pray for rightful action and the highest good of all concerned in every situation, giving thanks to our Father-Mother God for help and continued guidance. ~ William Miller, D.D., President
