Celebrating our 57th Year!

FEBRUARY 2018

WORLD PRAYER BULLETIN # 498

Dear Friend and Light Worker,

A special prayer for universal peace from our Spiritual Teacher: “Infinite Spirit, bring peace and goodwill to all peoples. Direct the pathway of every nation into unity, happiness, and prosperity. Remove the thoughts of fear and greed from the minds of humankind. Let every thought of hatred be turned to love, every thought of fear be turned to faith, every thought of war be turned to peace. Heal the wounds of the world and bring peace on Earth.”

PLEASE PLACE THE FOLLOWING INTO PRAYER, ADDING OTHERS OF YOUR CHOICE:

- We pray that the Winter Olympics in Korea produce the most benevolent outcomes for all involved.
- We pray for the elimination of weapons of mass destruction and their use within and on our planet and from outer space.
- We pray that the GESARA (Global Economic Security and Reformation Act) and NESARA (National Economic Security/Stability Reformation Act) produce the most benevolent outcomes for our nation and humanity.
- We pray that any overshadowing energies of power and control influencing all institutions, media, and levels of government — local, state, and national — be replaced by transparency, honesty and truth.
- We pray that everyone be able to obtain affordable housing, health care, prescription drugs, and fulfilling employment.
- We pray that the consciousness of humanity be raised to accept all religions and ethnic groups without hatred prejudice, or judgment.
- We pray for the worldwide transfiguration of all financial and political systems into heightened levels of consciousness.
- We pray that a solution manifest to solve the increasing income inequality worldwide.
- We pray that all media channels become outlets of Light and Truth for all humanity.
- We pray that all members of the executive, legislative, and judicial branches of our government cooperate with each other to bring stability and prosperity to our nation.
- We pray that a solution for immigration reform manifest in a way which is for the highest good of our nation.
- We pray that all forms of viral, bacteria, and fungal infections and pandemic flus be eliminated and that people’s vibrational energy be raised to strengthen their immunity to all disease.
- We ask for assistance from Eugenia and all Nature Spirits and forces of Light so that fires, floods, mud flows, droughts, volcanic actions, earth movements, hurricanes, tornadoes, and all radical weather patterns be minimized or eliminated through Light and prayer.
- We pray that as we experience daily events that may be beyond our comprehension, we remember to center ourselves in Light and Love.

With grateful hearts, we hold and energize the vision of a healthy Earth with pristine air, lands, and waters; with peaceful, joyous peoples — fulfilled, self-empowered, loving, and grateful — who live in an abundance of all good things, and who hold and energize an ever-evolving higher spiritual vision.

Thank you for your prayers and financial support, and we pray that you, our Fellowship family and friends, be kept within special healing and security in body, mind, and Spirit.

We ask that God’s Will be done in regard to all situations mentioned above, and those added. We pray for rightful action and the highest good of all concerned in those situations, giving thanks to our Father-Mother God for help and continued guidance.

William Miller, D.D., President
