

Insight Out **by Bill Miller**

“What you do is where you practice who you are.”

Bill Miller

We are presently working with Dennis Nelson, President, A.D. K. Luk Publications (Lawoflife.com), who published our ebook on “Messages from Our Galactic Emissaries,” to make our other publications available through his website in the near future. We are also working with Rev. Alan Sawyer, who has been a long-time member and served as Bella’s Karish’s Associate when Dr. Guthrie made his transition in 1991. Alan has been an active member of the Fellowship and, with his mate, Jan, has been assisting us as a minister and to update our website. Michael Verdick, a Fellowship friend and Recording Specialist, has given of himself tirelessly to aid the procurement of our Jesus book from a former publisher and help with all the many technicalities involved. We are grateful for these angels in our lives.

Health Update

After my August oncology appointment, the doctor ordered blood tests for possible lymphocytic Leukemia and other medical challenges. The tests were not decisive and the doctor will be monitoring my condition as I go forward. I am continuing my holistic healing and prayer work and am in no pain. My wife, Cynthia, is a God-send but she is under a lot of stress physically and would appreciate your prayers.

At my age of 86, and after 50 years of service in the Fellowship as a member, officer, Minister, President, it is necessary for me and Cynthia to close the Fellowship by the end of the year. It is with gratitude and appreciation that we are leaving and with much love for your loving friendship and support over these many years. This has been a hard decision for us. Our website will be available for those interested in the Fellowship’s unique approach to the Three Levels of Consciousness.

Bless you for being a part of this great adventure with us, begun by Dr. Wayne Guthrie and Dr. Bella Karish over sixty-two years ago. They continue to watch over us and bless us all from Spirit

Testimony from a Long-Time Fellowship Member and Friend

Well...these channelings get better and better. I have learned that *whatever* comes my way, it is a challenge. *Life is* a challenge. There *is* nothing "bad" or "good." It is easy with forgiveness (if you understand what that means). I forgive *both* the desirable and

undesirable, and with a clear mind go *on*. I rest completely, in this stage of my life, on the Holy Spirit - both in my thoughts and actions. What is desirable or undesirable are the two sides of the same coin; so when living in the Trust of the Holy Spirit there are no longer *two* choices, there is only *one* choice - to rest in the Holy Spirit. The Holy Spirit knows what is "good" for me at any time. So it has become an "easy" life, so to speak, in that I worry about *nothing*. I have absolutely *no* cares, health, financial, or whatever. I enjoy my clairaudience and clairvoyance since I am now accustomed to how the Holy Spirit works. It is a such a joy to actually experience *results with no fear or doubt* because in trusting the Holy Spirit there is one one result: it is done for my Highest Good. No second guesses, what ifs, I shoulda, coulda, woulda...It's done...over...forever.

I have to laugh at your "early retirement." I guess, when working in the forever, "early" can have other meanings. The time comes when we are "moved" by the Holy Spirit to encounter other fulfilling experiences. Please keep in touch. My question: how will these channelings continue? Will we be able to access them in the website? (Yes.)

Love and best wishes, and thanks to both of you for helping make these years towards our transitions, fly,

Marcell

In these polarizing, challenging times, here is a wisdom from the Elders (Hopis) that says something similar in a different way:

There is a river flowing now very fast. It is so great and swift, that there are those who will be afraid. They will try to hold onto the shore. They will feel they are being torn apart and will suffer greatly. Know the river has its destination.

The elders say we must let go of the shore, push off into the middle of the river, keep our eyes open, and our heads above water. And I say, see who is in there with you and celebrate.

At this time in history, we are to take nothing personally. Least of all, ourselves. For the moment that we do, our spiritual growth and journey comes to a halt.

***The time of the lone wolf is over. Gather yourselves!
Banish the word struggle from your attitude and your vocabulary.
All that we do now must be done in a sacred manner and in celebration.***

WE ARE THE ONES WE HAVE BEEN WAITING FOR
